Build Your Brand as a Company
That Supports Women in Business

Be Real, Get Real & Achieve Real
Results with WPN Global!

“Women account for 85% of all consumer purchases including everything from autos to health care.”¹

“American women spend about \$7 trillion annually...Over half of the U.S. GDP.”²

“When women are aware you support women owned businesses:

- **79% would try your product or service**
- **80% would solidify their brand loyalty**
- **51% would give a company a second chance if a product or service missed the mark the first time”³**

68% of women surveyed rely on information from people they know when choosing brands.⁴

And What About Those Baby Boomers?⁵

- **As a whole, women over the age of 50 have a combined net worth of \$19 trillion.**
- **Women between the ages of 55 and 75 hold a unique position: having been tasked with looking after families in their younger years, now-empty nesters have become the biggest consumers of luxury, security, and convenience items in the country.**
- **Women over the age of 50 spend, on average, 250% of what the population in general spends in any given year, including purchases of technology-related items, cars, and various financial services.**
